

HAMILTON PARENTS SPECIAL EDUCATION GROUP PRESENTS...

NOTE: OPEN TO ALL PARENTS/PROFESSIONALS REGARDLESS OF SCHOOL DISTRICT (ALSO OUT OF DISTRICT).

Guest Speaker:

Renee Pfaff from the Progressive Center for Independent Living

How is College Different from High School?

What is transition to adult life? For some, it may include school-to-work, for others it may involve continued education or training. Part of the student's transition plan is to consider post-secondary options.

Come join us for an interactive workshop that will help students and families understand the differences seen when students transition from school to college. We will also discuss important community linkages. Knowing these differences can help students prepare for a smoother transition. Students are encouraged to attend!
