

Accessibility Goes Beyond Wheelchair Ramps

MAKE YOUR SPACE MORE ACCESSIBLE TO ALL

The Progressive Center for Independent Living (PCIL) is helping local businesses, parks, and municipalities across Mercer and Hunterdon County, NJ become more welcoming to people of all abilities through FREE ADA Accessibility Assessments.

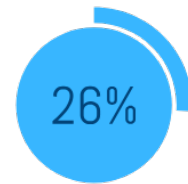

NO FEES

Sign up for a FREE ADA-accessibility review of your space with one of our trained staff at PCIL.

NO OBLIGATIONS

There is no obligation or penalty for not making the changes suggested after the assessment.

MORE IMPACT

People with disabilities make up 26% of your community. Accessibility can make a big impact.

INCLUSION IS GOOD FOR BUSINESS

We will identify accessibility barriers for people with disabilities, such as mobility, vision, hearing, or cognitive differences, and provide practical recommendations. You can choose which actions to take at your own pace, with no obligation to address everything immediately.
